INTERVIEW SUMMARY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This paper is being submitted to clarify the record.

Upon reviewing the Office action dated September 20, 2006, the undersigned noted that the rejections were based on a mis-interpretation of 35 U.S.C. § 103(c). Accordingly, the undersigned telephoned Examiner Pham and requested that he reconsider the rejections in view of this error. Examiner Pham agreed to reconsider the issue and indicated he would call the undersigned back after completing his review. Having heard nothing back, the undersigned telephoned Supervisor Chris Ellis, explained the situation and asked that he would assist Examiner Pham in moving the case forward.

The undersigned hereby thanks Examiner Ellis and Examiner Pham for their courtesy and professionalism in reconsidering this case and taking steps to move the examination forward. The applicant looks forward to receiving a response on the merits of this application.

Respectfully submitted,
